

FRACTIONAL CFO

EXPERT FINANCIAL LEADERSHIP FOR GROWING BUSINESSES

At Gauvreau, our virtual fractional CFOs bring more than just financial expertise—they offer strategic partnership across the full spectrum of business challenges. With nearly 100 years of combined experience, our team supports owners of growing SMEs by helping them navigate complex decisions, uncover opportunities, and implement practical solutions that drive performance across all areas of the business—not just the bottom line.

This collection highlights the diverse strengths and industry backgrounds of our CFO team—each one committed to bringing structure, clarity, and momentum to help you scale with confidence.

SYLVIE LE BOUTHILLIER

DIRECTOR OF CFO SERVICES

HEALTHCARE

CONSTRUCTION

PUBLIC SECTOR

PROFESSIONAL SERVICES

Sylvie Le Bouthillier is an experienced virtual CFO and strategic business partner with over 25 years of experience leading finance, improvement projects, operations, and cross-functional changes across North America and Europe as well.

As Director of CFO Services at Gauvreau, Sylvie also works with business owners and executive teams to drive improvements, growth, navigate complex problems/issues, and align operations with long-term goals. Sylvie also brings extensive experience in process re-engineering, M&A integration, ERP implementations, restructuring, and multi-entity financial leadership. Known for her energy, drive to get things done, and ability to bring people, processes and systems together, she has led successful finance transformations across sectors including professional services, healthcare, construction, and public service.

Bilingual, with a holistic mindset and a sharp operational lens, Sylvie helps businesses implement practical solutions that create structure, clarity, and measurable impacts.

DRIVING FINANCIAL CLARITY THROUGH SYSTEMS, STRATEGY, AND EXECUTION

MEGHA JAIN

SENIOR ACCOUNTING ANALYST

Megha Jain is a detail-driven financial analyst who bridges the gap between transactional bookkeeping and strategic CFO insights. As a Senior Accounting Analyst on Gauvreau's CFO Services team, Megha works alongside CFOs to create high-impact reporting tools, cash flow models, and decision-ready dashboards that help business owners understand their numbers and plan for growth.

With dual degrees in Accounting & Finance and Law, Megha brings precision, structure, and a strong analytical lens to every relationship. Her background spans audit, accounting, and tax, making her a well-rounded partner in interpreting financial data and producing actionable insights.

Megha is a go-to expert for budgeting, forecasting, cash flow modeling, and KPI tracking. Known for her organization and resourcefulness, she is adept at translating complex data into clear, business-focused strategies.

Megha also holds advanced certifications in QuickBooks, Excel, and small business finance.

TURNING DATA INTO CLARITY, AND CLARITY INTO ACTION.

Let's work **TOGETHER**

We're proud to support ambitious business owners with experienced financial leadership tailored to their stage of growth. Whether you're looking to optimize cash flow, improve reporting, or prepare for what's next—our CFOs are ready to help.

Let's talk about what your business needs to move forward.
